CELEBRATED STOMACHIC ELIXIR OF HEALTH

(Price one dollar and fifty cents.)
WHICH has proved by thousands, who have experienced its beneficial effects, to be the most valuable medicine ever offered to the public, for the cure of coughs, colds, consumptions, the hooping cough, asthma, pain in the breast, cramps and wind in the stomach, head ache, loss of appetite, indigestion, &c. &c.
For the Dysentery of Lax, Cholera Morbus, severe Gripings, and other diseases of the bowels and the Summer Complaint in Children, it has proved a certain remedy; and restored to perfect health from the greatest debility.
Persons afflicted with Pulmonary Complaints, or disorder of the breast and lungs, even in the most advanced state, will find immediate relief.
Common Coughs and Colds, which are in general occasioned by obstructed perspiration, will be found to yield to its benign influence in a few hours.
In Asthmatic or Consumptive complaints, Hoarseness, Wheezings, Shortness of Breath, and the Hooping Cough, it will give immediate relief.

Dr. Robertson's

VEGETABLE NERVOUS CORDIAL,

OR, NATURAL GRAND RESTORATIVE
(Price one dollar and fifty cents.)
Is confidently recommended as the most efficacious medicine for the speedy relief and cure of all nervous complaints, attended with inward weakness, depression of the spirits, head ache, tremor, faintness, hysteric fits, debility, seminal weakness, gleet, and various complaints resulting from secret impropriety of youth and dissipated habits, residence in warm climates, the immoderate use of tea, the unskilful or excessive use of mercury, so often destructive to the human frame, diseases peculiar to females at a certain period of life, Fluor Alba, barrenness, &c. &c.
Under the denomination of nervous disorders, are included several diseases of the most dangerous kind, and are so various that a volume would hardly suffice to complete a description of them. It pervades, with its baleful influence, the whole nervous system, writing the heart with inexpressible anguish, and exciting the most dreadful suggestions of horror and despair. To this demon have thousands fallen a sacrifice, in the direful transports of its rage.
The most common symptoms of its commencement are, weakness, flatulence, palpitations, watchfulness, drowsiness after eating, timidity, flashes of heat and cold, numbness, cramp, giddiness, pains in the head, back and oins, hiccup, difficulty of respiration and digestion, anxiety, dry cough, &c.
The Vegetable Nervous Cordial is also a great Antiscorbatic Medicine, and is of infinite service for purifying the blood, and curing those four disorders of the skin which commonly appear in the form of Scurvy, Surfeit, Red Blotches, Carbuncles, Ulcers, &c. A dose of the Anti-Bilious Pills, taken occasionally with this medicine, proves of additional service in the ast mentioned case.

To the Citizens of Clarke County.

THE subscribers have received from the President and Directors of the State Bank, books for the purpose of receiving subscriptions for Bank Stock, in order to establish a Branch Bank in Winchester, with a capital of two hundred thousand dollars, one hundred thousand of which to be subscribed by the citizens, which will be divided into shares of one hundred dollars each. The establishment of a Bank in Winchester will, no doubt, contribute very essentially to the convenience of the citizens of this, as well as of the adjoining counties—it will enable the purchasers of produce to make punctual payments; it will also be a safe and profitable place of deposit for those who have money to put out. By the last dividend declared on the part of the State Bank for the last six months, it will be seen that the share-holders are to receive six per cent. which is equal to twelve per cent. per annum; we have, therefore, no hesitation in believing that when an establishment of this kind is made, and the advantages resulting from it properly appreciated, the farmers, the mechanics, the manufacturers, and the merchants, will aid in the disposition of the stock for the establishment of the Bank.
Those who are disposed to subscribe will apply at the store of WILLIAM POSTON, where a book is left for the purpose of receiving subscriptions.

PILLS;
